Dear Mr. Farber,

I want to thank you for your continued support of our Soldiers at Fort Dix. We want you to know just how important the hygiene kits have been to our Soldiers. They are always happy to receive your kits and love the fact that the kits contain everything needed as well as the extras (playing cards), we can't think of anything missing.

The kits are also very popular with our wounded Soldiers that are here for medical care. Every mobilizing Soldier, wounded Soldier and all of those in need receive your kits.

Thank you again for thinking of our Soldiers!
